

## Interested in learning about other issues that concern women?

We offer educational workshops on a range of related topics, including:

- \* Gendered communication
  - \* Body image and media representations
  - \* Gender equity
- \* Resisting emotional & verbal abuse/other risk reduction strategies
- \* Women of color and "ethnic" cosmetic surgery, and more!

Workshops by request are tailored to the needs of your organization.

Contact the Women's Resources and Research Center for more information.
